What's this?

Now they're part of the Roar family!

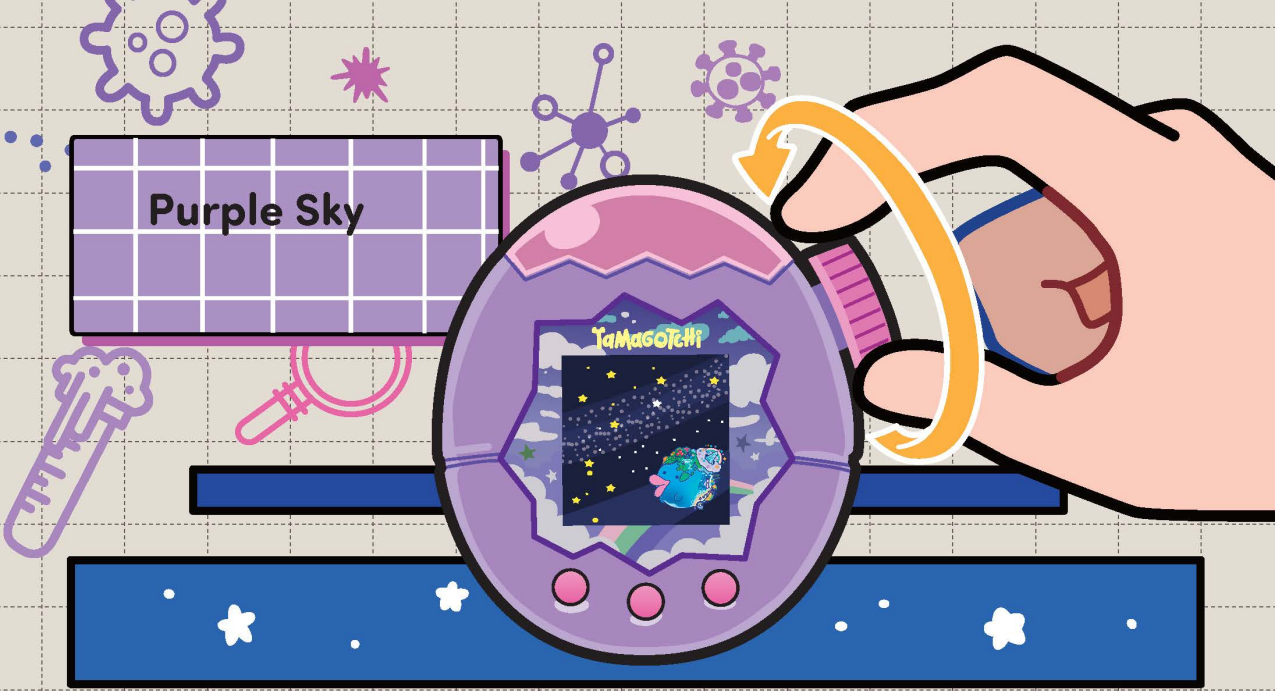

And what about the other researchers? Let's take a look.

Get connecting right away!

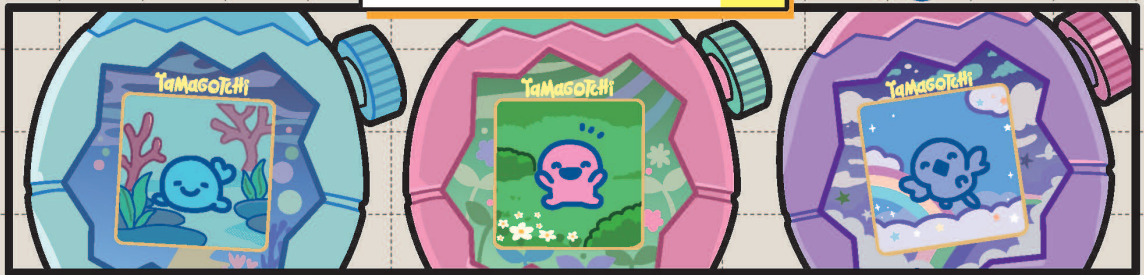

How do they get along, I wonder?

You've made a fair  
share of connections.

And whoa,  
just look at them now!

Those are some rare evolutions!  
Could connection be the key?

There are tons of mysteries left in store!

We've got plenty more research ahead of us!
