ZooM...
Whoa... What is this?!
©BANDAI

A new planet?!

Let's take a closer look!

©BANDAI

POINT 1

A waterfall and lake?

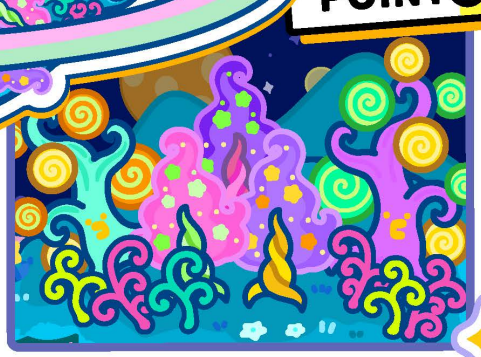

POINT 2

A town full of buildings?

POINT 3

A forest with glowing trees?

- A forest, water, and a town?
- There's life here!
- We might run into
- new Tamas!

Go look into it, Shirotamas!

Tamas discovered!
©BANDAI

Let's start the Tama investigation!

These Tamas look so happy to fly.

Is that one singing a lullaby?

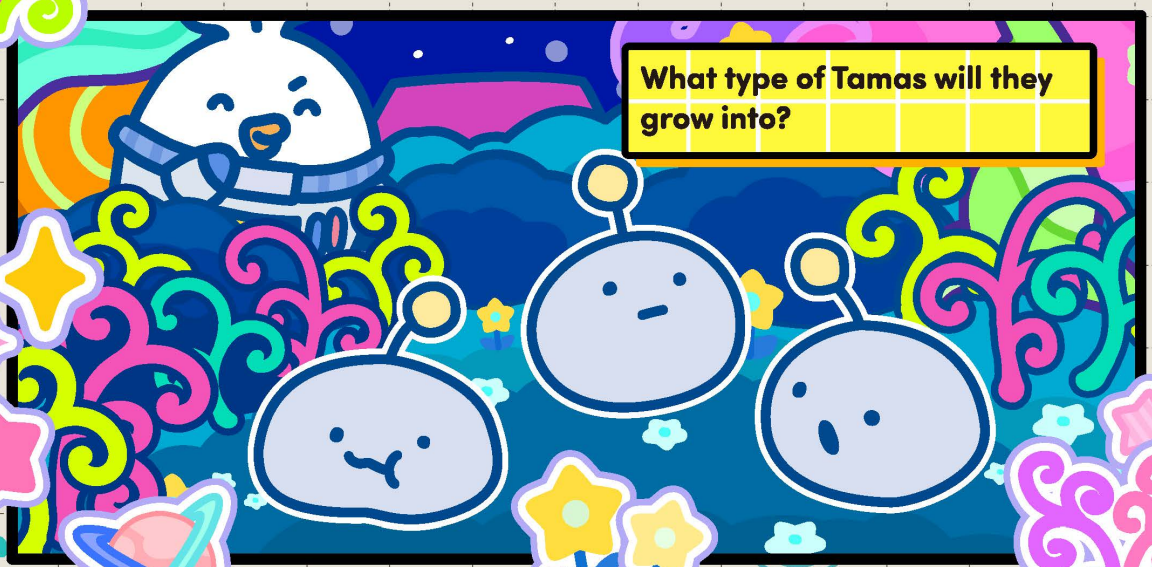

They're absorbed in a game of tag.

Kid Phase

After eating lots of meat...

Young Phase

...the Tama grows into the shape of a bulb!

After eating lots of fruit...

...the Tama grows ears!

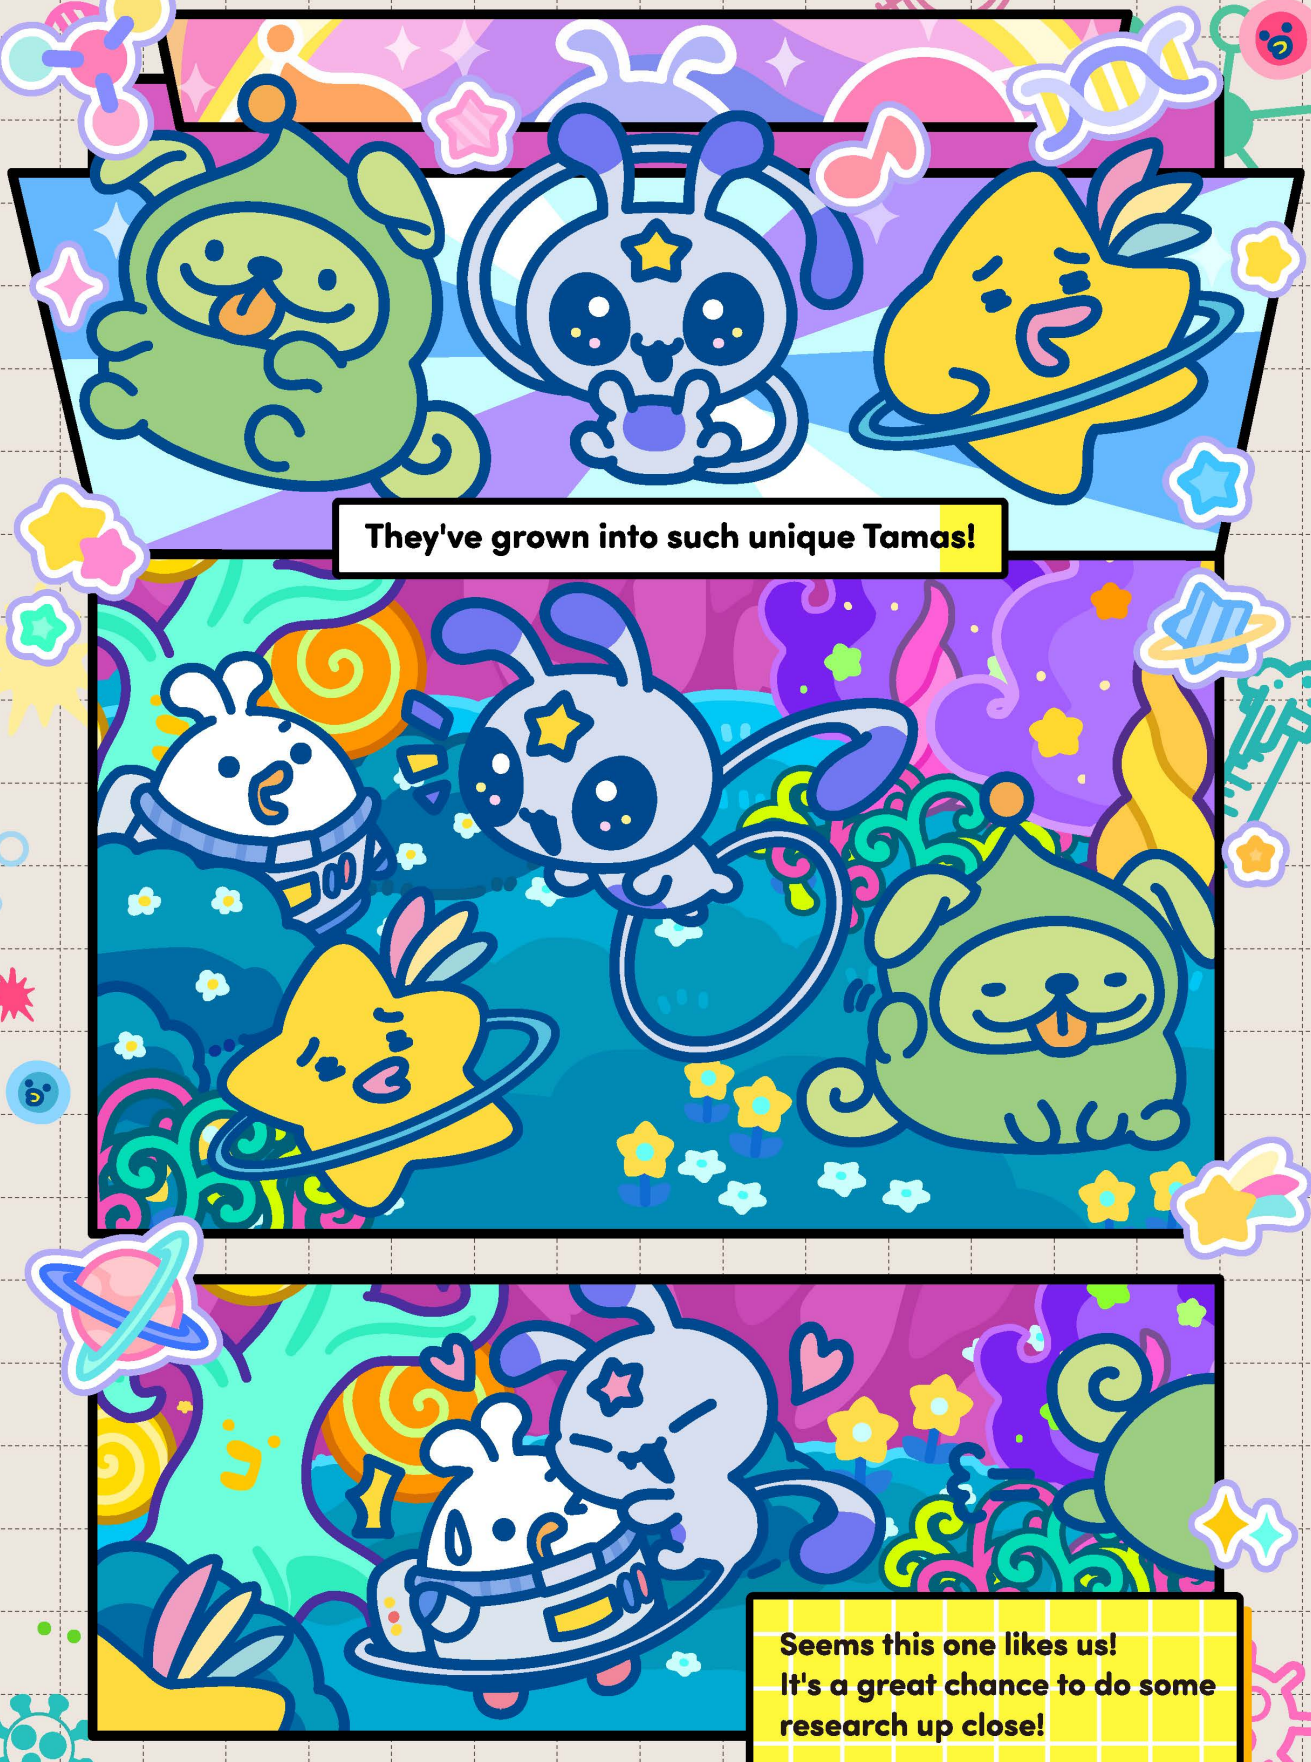

After eating lots of desserts...

...the Tama starts looking like a tiny planet!

©BANDAI

They've grown into such unique Tamas!
Seems this one likes us!
It's a great chance to do some research up close!

Let's call this new planet "Cosmic Planet"!
Cosmic Planet is still full of mysteries.
Keep up the good work researching!
Oh? It's a message from the Lab.
What is it?

©BANDAI

Is this...Tamagotchi Planet?

To research the new planet...

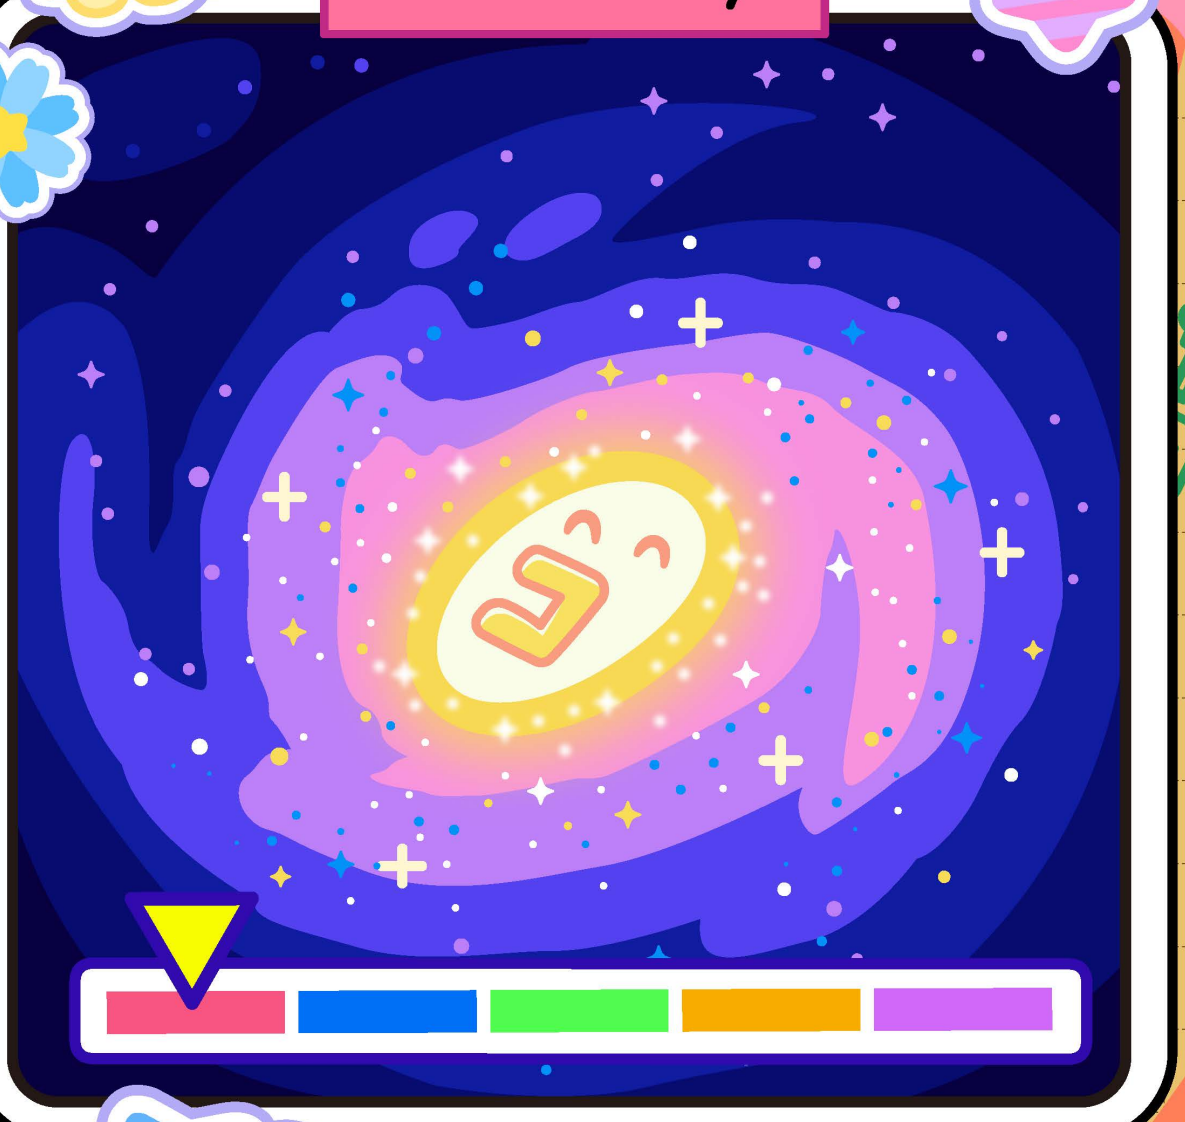

©BANDAI

...we need an improved device!
Updating...
Got it! Neon Planets!
